Re: MUR 7215 (Oklahoma Leadership Council, et al.)

Dear Ms. Stevenson:

On behalf of our client, Oklahoma Leadership Council ("OLC"), this letter hereby requests an extension of time to respond to the Federal Election Commission's letter stating that the Commission found reason to believe that OLC violated 11 C.F.R. § 106.7(d)(1). We received the Commission's letter and accompanying materials on February 22, 2017, and the Commission has requested a response by February 29, 2017.

We respectfully request a thirty-day extension of time, or until March 30, 2017, to respond. This extension will permit us to review the Commission's determination, interview those with relevant knowledge, and obtain the necessary factual and legal materials, so that we may respond in an appropriate manner.

We appreciate the Commission's courtesy in this regard. Thank you for your consideration.

Sincerely,

Megan Sowards Newton
